Applying IT-Related Business Process Reengineering In an Informatics Course for Graduate Nursing Programs

Published On: December 16, 2015 | Pages: 016 - 024

Author(s): Azizeh K. Sowan*

Introduction: Studies on methods of teaching informatics for graduate nursing programs are limited. This paper discusses the design and evaluation of an IT-related Business Process Reengineering (BPR) Project, one of the main assignments in an informatics course offered jointly for three graduate nursing programs. Challenges and lessons l ...

Attitudes towards a Complete Smoking Ban among Mental Health Hospital Employees in France

Published On: August 05, 2015 | Pages: 010 - 014

Author(s): R de Beaurepaire*, P Rat, N Hachimi, N Benslimane, F Djellil, D Lafarge, K Lalam, AL Lavazais and R Molimard

Background: Incitements to smoking cessation in patients hospitalized in mental health settings should be an ethical commitment for the mental health staff. However, worldwide studies have shown that the mental health staff is often reluctant to the implementation of smoking bans, and that the psychological attitude of the nursing staff may eve ...

Care of Older Residents: One Man among Many Women

Published On: June 22, 2015 | Pages: 005 - 009

Author(s): Sandra P Hirst* and Annette Lane

Background: Men and women are differently bodily, as well as have distinctive ways of thinking; consequently, their health care needs are not always the same. For some older adults who enter long-term care facilities, the impact of gender upon their care may not be recognized by staff. ...

Health Behaviors of Centenarians are Worth Attention

Published On: August 05, 2015 | Pages: 015 - 015

Author(s): Xianglong Xu*

In contemporary society, it's important to prevent and minimize the impact of non-communicable disease [1]. Health behaviors, such as physical inactivity, smoking, obesity, poor diets, and alcohol misuse are among the most common causes of disease and premature deaths in the world [2 , 3]. With the development of the economy and the level of medica ...
